[System and method for automated collection and analysis of regularly...](#)

US Pat. 5370457 - Filed Dec. 01, 1993 - Cardiac Intelligence Corp.

The comparison module 62 receives as inputs from the **database 17** two **input** sets functionally defined as peer collected measures sets 60 and sibling ...[System and method for proactively monitoring risk exposure](#)

US Pat. 5691743 - Filed Jun 30, 1997 - General Electric Company

More specifically, the risk analytics router 36 routes the **risk information** in the **input** knowledge source 26 to the shared 45 **database** 28, ...[System and method for providing normalized voice feedback from an individual...](#)

US Pat. 5623465 - Filed Jul 26, 1996 - Cardiac Intelligence Corporation

The **analytic** operations performed by the analysis module 53 are further ... as inputs from the **database 17** two **input** sets functionally defined as peer ...[System and method for analyzing normalized patient voice feedback an...](#)

US Pat. 5476737 - Filed May 18, 2001 - Cardiac Intelligence Corporation

The **analytic** operations performed by the analysis module 53 are further ... as inputs from the **database 17** two **input** sets functionally defined as peer ...[System for analyzing and comparing current and prospective refrigeration](#)

US Pat. 5439981 - Filed Jun 6, 2000

... (c) **deriving** the power cost difference to operate the first chiller compared to ... **input** — **database** additional chiller information 108 computer input ...[Virtual reality generator for displaying abstract Information](#)

US Pat. 5375115 - Filed Oct 7, 1997

In the representative embodiment, the CAPRI **analytic** system is used to feed in real-time complex and voluminous financial **information** to the **input** module, ...[SQL Based automated histogram bin data derivation assist](#)

US Pat. 6430552 - Filed Oct 1, 1999 - NCR Corporation

Analytic Logical Data Model The **Analytic** LDM 200, which is integrated with the relational **database** 116 and the RDBMS 114, provides logical entity and ...[Computer readable storage medium containing code for automated collection...](#)

US Pat. 5667485 - Filed Sep. 6, 2001 - Cardiac Intelligence Corporation

The **analytic** operations performed by the analysis module 53 are ... 62 receives as inputs from the **database 17** two **input** sets functionally defined as peer ...[Virtual reality generator for use with financial information](#)

US Pat. 5657646 - Filed Sep. 23, 1996

Other visual cues can be The **analytic** system that passes data to **input** module ... the **financial information** from this perspective, to see **database** program, ...[System and method for providing patient status feedback via an automated...](#)

US Pat. 5531180 - Filed Oct 10, 2000 - Cardiac Intelligence Corporation

The **analytic** operations performed by the analysis module 53 are further ... as inputs from the **database 17** two **input** sets functionally defined as peer ...Stay up to date on these results using the [patents RSS feed on deriving analytic information from input database](#)

[deriving analytic information from input database](#)
